

# Weekly Report

17/10/2016-23/10/2016

Han Dongming Oct. 23 2016

## ExemptExam

Those days I were debug the CSS of the project, with Guan's help in the follow days of the week, I did it fast and complete the CSS what we thought before.

## Work

1. Debug the CSS of the Hua Wei project.
2. Configure the SSH about the server.
3. Configure system
4. Learn the ES6 ##### To do
5. Read paper
6. Do the Hua Wei project
